Directions

- Always test in an inconspicuous area before general use & refer to product label for complete information.
- Make sure surface is clean, vacuuming or sweeping off all debris.
- Apply solution with trigger sprayer, moistened wiper, or soft cloth, then buff dry with a soft cotton cloth, absorbent paper towel.
- To remove stubborn stains or encrustations, allow solutions to remain on surface for 5 minutes and agitate with a white pad, sponge, soft bristle brush, then buff dry.
- No chlorinated solvents
- No petroleum distillates
- VOC compliant in all states
- Environmentally responsible
- Easy to use and low odor
- Excellent protection against the toughest oil and water-based stains
- This product may help you achieve LEED certification
