

Powerful Stone & Tile Cleaner™

TECHNICAL DATA SHEET

PRODUCT BENEFITS

EcoStone Solutions Powerful Stone & Tile Cleaner is a heavy duty alkaline restoration cleaner that quickly removes floor finish, wax, water-based acrylic sealers, soap scum, dirt, algae stains, mildew stains, greasy film and deposits. This product was formulated to thoroughly clean and degrease neglected natural stone, masonry, ceramic & porcelain tile and grout.

RECOMMENDED SURFACES

For use on:

- Ceramic Tile
- Marble
- Terrazzo
- Porcelain Tile
- Granite
- Saltillo
- Grout
- Limestone
- Sandstone
- Clay Products
- Slate
- Travertine

Available Sizes

Gallons, 5 gallon pails, 55 gallon drums

Coverage:

2500 SF (232 Sq Meters) or more per diluted gallon depending on the dilution selected, the porosity and texture of the material, method of application, humidity, and surface temperature.

Directions

- Always test in an inconspicuous area before general use & refer to product label for complete information. Dilute with warm or hot water. Do not mix with other chemicals.
- Make sure surface is clean, vacuuming or sweeping off all debris.
- Mask off and protect areas such as baseboards or adjacent surfaces not intended for treatment.
- Apply solution with a sponge, mop, or low-pressure sprayer. Allow product to dwell for 3 minutes and then agitate with a scrub brush or pad. To remove stubborn stains or encrustations, allow solutions to remain on surface for 5 minutes. Do not allow product to dry on surface.
- Remove solution with a sponge, mop, wet towel or a wet vacuum. Rinse surfaces thoroughly with clean water after use and wipe dry.
- Clean and rinse equipment with water.
- Protect surfaces after cleaning.
- Light Duty Cleaning Dilute 1:32 (4 oz/gal)
- Medium Duty Cleaning Dilute 1:16 (8 oz/gal)
- Heavy Duty Cleaning Dilute 1:8 (16 oz/gal)
- Biodegradable
- VOC compliant in all states
- Environmentally responsible
- Easy to use and low odor
- No phosphates
- Deodorizes surfaces as it cleans
- This product may help you achieve LEED certification
